Part A: The Lombard Visa Card Account

1. The Lombard Visa Card Contract

- 1.1 The Lombard Visa Card Contract comprises the terms set out in this document and the Schedule. The Lombard Visa Card Contract governs the use of the Lombard Visa Card and all transactions on the Lombard Visa Card Account.
- 1.2 You accept our offer for a Lombard Visa Card Contract when:
 - (a) you activate the Lombard Visa Card in accordance with clause 26: or
 - (b) you sign the Schedule where you open the Lombard Visa Card Account in connection with an Account-Opening Transaction (including where you agree to sign the Schedule electronically) and return it to us; or
 - (c) you accept the offer in a way described in the Schedule (if any).

When you have accepted our offer for a Lombard Visa Card Contract, you will be bound by:

- these Lombard Visa Card Account Conditions of Use (both Part A and Part B);
- the Schedule; and
- the Privacy Statement, Acknowledgement and Consent; and
- if you have completed a Direct Debit Request, the Direct Debit Request Service Agreement set out at the end of this document.

- 1.3 Apart from the Account Opening Transaction (if any), you cannot transact on your Lombard Visa Card Account until you have activated the Lombard Visa Card in accordance with clause 26.

2. Opening a Lombard Visa Card Account and transactions on the Lombard Visa Card Account

- 2.1 A Lombard Visa Card Contract is available only to individuals aged 18 years or older who are permanent residents of Australia and for personal or household (and not investment) purposes.
- 2.2 To enter into a Lombard Visa Card Contract and open a Lombard Visa Card Account you must:
 - satisfy our eligibility requirements;
 - complete the application process; and
 - provide the documents and information we (or our agents) may request.
- 2.3 The Lombard Visa Card Account may be used for the following type of transactions:
 - the Account-Opening Transaction(s);
 - Card Transactions (including EFT Transactions and Voucher Transactions) (see Part B); and
 - a Balance Transfer Transaction.

A Lombard Visa Card must not be used to purchase goods or services that are prohibited by law in Australia and/or in the country in which the goods are being purchased.

- 2.4 Whether we agree to a request for a Balance Transfer Transaction is a matter entirely within our discretion, but we will not agree to a request for a Balance Transfer Transaction if you are in default of the terms and conditions applicable to the account from which the transfer is requested to be made, or if the effect of the Balance Transfer Transaction would be to cause your Unpaid Balance to exceed your credit limit. If we agree to process a Balance Transfer Transaction we will, as applicable, either:
 - automatically close the Lombard account you have with us from which the balance transfer is made, or
 - pay the outstanding closing balance of the account (from which the balance transfer is made) directly to the financial institution at which the account is held.
- 2.5 In order to complete a Voucher Transaction, we must consent to the transaction and you must provide us with your Lombard Visa Card Account number. You will be required to authorise the transaction by the authorisation process provided to you at the time of the transaction.
- 2.6 In order to complete an EFT Transaction, you must request the transaction using your Lombard Visa Card and PIN or your Card Details and we must approve the transaction.
- 2.7 We will debit your Lombard Visa Card Account with the amount of each approved Account-Opening Transaction, Card Transaction (including for a cash advance) and Balance Transfer Transaction. The amount of the transaction will be debited to your Lombard Visa Card Account on the date that we approve the transaction with the exception of the Account-Opening Transaction which may not be debited to your Lombard Visa Card Account until you receive the goods or services that are the subject of that transaction. A charge applies when you use the Lombard Visa Card to obtain a cash advance. Please refer to the Schedule for details.

We will also debit your Lombard Visa Card Account with the amount of each fee or charge, each amount of interest and all other expenses that are payable by you under the Lombard Visa Card Contract. Each fee, charge or expense and each interest charge will be debited to your Lombard Visa Card Account on the date that it is first payable by you to us or as otherwise provided for in this document.

3. Standard Annual Percentage Rate and Special Promotion Rate

The Standard Annual Percentage Rate that applies under the Lombard Visa Card Contract is set out in the Schedule, but is subject to any later variation in accordance with clause 9.

The Account-Opening Transaction and/or Voucher Transactions may attract a Special Promotion Rate. If a Special Promotion Rate applies to the Account-Opening Transaction or a Voucher Transaction, the Special

Promotion Rate is stated by a Retail Partner or by Lombard at the time you make the transaction and confirmed in the receipt. The Special Promotion Rate is subject to any later variation in accordance with clause 9.

The Special Promotion Rate will operate for a limited period (the Special Promotion Period) if a Special Promotion Period is stated, as relevant, in the Schedule, or by a Retail Partner or by Lombard and confirmed in the receipt, in conjunction with the Special Promotion Rate.

Any BPAY Payments made with your Lombard Visa Card Account will attract the Standard Annual Percentage Rate from the date on which the payment is made.

4. Credit Limit and available credit

- 4.1 Subject to any transaction limits (see clause 32), you may draw down funds up to your credit limit.
- 4.2 Your credit limit is the amount set out as the credit limit in the Schedule or such other amount as may be set from time to time in accordance with this clause.
The Unpaid Balance of your Lombard Visa Card Account must not, at any time, exceed your credit limit without our approval.
- 4.3 Your credit limit does not change simply because we may debit an amount to your Lombard Visa Card Account that causes the account balance to exceed your credit limit.
- 4.4 We will only increase your credit limit at your request or with your written consent. We can, however, reduce your credit limit at any time, whether or not you are in default under the Lombard Visa Card Contract and without prior notice to you, to protect your business interests. We will advise if we do so.
- 4.5 We may, from time to time, set a minimum credit limit for all Lombard Visa Cards. Although you may seek to reduce your credit limit at any time, if you seek to reduce your credit limit below such a minimum, we may close, or ask you to close, the Lombard Visa Card Account.
- 4.6 We reserve the right not to credit the amount of a payment we receive from you (or for your Lombard Visa Card Account) until we receive the full value of that payment (for example when a cheque is cleared).

4a. Credit by instalments

(This clause only applies to the Lombard 55 Visa Card and Lombard Visa Card Classic. It does not apply to the Lombard 180 Visa Card).

This clause applies to an Account-Opening Transaction or a Voucher Transaction with a Retail Partner where you request and we agree that the amount of the transaction be financed by agreed instalments or progress payments (**Instalments**).

- (a) If stipulated in the receipt for the Account-Opening Transaction (or Voucher Transaction), an Interest Free Period will apply to each of the Instalments from the date it is paid.

- (b) The unused portion of your credit limit will be reduced by the full amount of the transaction (that is, the total amount of all Instalments) at the time that the first Instalment is paid by us to the Retail Partner, and the amount of credit available to you under this contract will be reduced accordingly.
- (c) You authorise us to pay the Instalments to the Retail Partner at the times and subject to the conditions stipulated in the receipt for the Account-Opening Transaction.

5. How is interest calculated?

- 5.1 Interest is not charged on a transaction which is subject to an Interest Free Period, for the period of the Interest Free Period, or on a transaction which is subject to a Deferred Payment Interest Free Period, for the period of the Deferred Payment Interest Free Period.
- 5.2 Subject to clause 5.1 and 5.6, interest charges are calculated on a daily basis in the following manner.
To calculate the interest charge that is payable in respect of a given day, we start by determining the Unpaid Daily Balance of your Lombard Visa Card Account at the end of that day. We then determine if there is any part of that Unpaid Daily Balance that is not to be subject to an interest charge for that day (being a non-interest bearing part of the Unpaid Daily Balance for that day).
On a given day, any part of the Unpaid Daily Balance that represents the outstanding balance of a transaction that is subject to an IFP or a Deferred Payment IFP at that time will be a non-interest bearing amount for that day.
Once we have deducted all parts of the Unpaid Daily Balance that are non-interest bearing parts of the Unpaid Daily Balance for that day, then the following applies:
 - (a) that part of the remainder of the Unpaid Daily Balance to which the Standard Annual Percentage Rate applies is subject to the application of the Daily Percentage Rate; and
 - (b) that part of the remainder of the Unpaid Daily Balance to which the Special Promotion Rate applies is subject to the application of the Special Promotion Daily Percentage Rate, so as to determine the interest charge for that day.
- 5.3 Each daily interest charge that has accrued under clause 5.2 in respect of a previous day, but which has not previously been debited to your Lombard Visa Card Account, will be debited to your Lombard Visa Card Account monthly, on the last day of a statement period except for interest (from the date of the purchase until the end of the statement period during which the purchase was made) in respect of a purchase where that purchase fails to meet the requirements of clause 5.6 in order to qualify for up to 55 days interest free. Interest on any such purchase (for the period from the date of the purchase until the end of the statement period during which the purchase was made) will be debited to your account on the last day

of the statement period which immediately follows the statement period for which the purchase was recorded in your account statement.

- 5.4 We may at any time calculate interest in a manner more favourable to you than provided for in this clause but such action will not prevent us from exercising our rights under this clause in respect of subsequent days or transactions.
- 5.5 When you pay all the monies owing under this Lombard Visa Card Contract, interest that has accrued up to (but not including) the date of final payment that has not been debited to your Lombard Visa Card Account will be debited to your Lombard Visa Card Account at that time and will be payable by you as part of your final payment. Under this Lombard Visa Card Contract, accrued interest debited on a day will not include interest relating to that day.
- 5.6 *(This clause only applies to the Lombard 55 Visa Card and the Lombard 180 Visa Card. It does not apply to the Lombard Visa Card Classic).*

We will not charge interest on an individual EFT Transaction for a purchase of goods or services:

- (a) made using the Lombard 55 Visa Card; or
- (b) made using the Lombard 180 Visa Card, but only for each amount of less than \$250 listed on your account statement, if the requirements of this clause 5.6 are met by you. This will mean that, for such a transaction, you may receive up to 55 days interest free from the date of the transaction.

To receive this interest free benefit, you must pay, by the due date of the account statement the amount identified in your statement as the "Optional repayment to qualify for up to 55 days interest free on purchases".

This amount consists of the following:

- (a) the closing balance of the account statement (which includes any amount which the account statement refers to as the amount "Due Immediately") less any amount listed on the account statement (including any amount carried forward from any previous account statement) which is referable to a transaction which is subject to an Interest Free Period, a Special Promotion Period or a Deferred Payment Interest Free Period; and
- (b) an amount equal to 3% of the total of any amounts listed on the account statement (including any amount carried forward from any previous account statement) which is subject to an Interest Free Period or Special Promotion Period.

The amount of interest free days you may receive will depend on when you made the relevant purchase during the statement period.

This clause 5.6 applies only with respect to an EFT Transaction for a purchase of goods or services as described above. It does not apply with respect to an Account-Opening Transaction, a Voucher Transaction, a cash advance, a BPAY Payment or a Balance Transfer Transaction.

6. Repayments

- 6.1 You must pay the minimum payment as shown on your Lombard Visa Card Account statement by the due date shown on that statement.
- 6.2 The manner in which the amount of the minimum payment will be calculated in each instance is set out in the Schedule. You may pay more than the minimum payment if you wish.
- 6.3 If your Lombard Visa Card Account statement also refers to an amount "Due Immediately", you must pay that amount immediately on receipt of your statement.
- 6.4 If a Deferred Payment Interest Free Period applies in respect of a transaction you are not required to make any repayments in respect of that transaction until the expiry of the Deferred Payment Interest Free Period that applies to that transaction. You can, if you wish, repay some or all of this amount at any time you choose.
- 6.5 If an Interest Free Period applies or applied in respect of a transaction, the minimum payment amount stated in a Lombard Visa Card Account statement will include the amount of the minimum repayment due in respect of the outstanding balance of that transaction (if any).
- 6.6 If the due date for the payment of any amount due and payable under the Lombard Visa Card Contract falls due on a day which is not a Business Day or on the 29th, 30th, or 31st of a month that does not include such a day, the payment will be due on the next Business Day.
- 6.7 You may make repayments to us by any of the following means:
 - (a) in person, at our address shown in this document;
 - (b) by direct debit bank transfer (if you have completed a Direct Debit Request);
 - (c) by BPAY at Australia Post or through your participating financial institution; or
 - (d) by cheque.

We will process payments to your Lombard Visa Card Account as soon as practicable. Certain repayment methods and late payments may attract a fee. Please refer to the Schedule for details.

Note! The value of payments made to your Lombard Visa Card Account may not be credited to your Lombard Visa Card Account, nor therefore treated as received by us, on the day of lodgement. The processing will take place as soon as practicable, but in some cases may take a number of days.

If a payment is subsequently dishonoured, we will debit the Lombard Visa Card Account by the value of the dishonour, as at the date that the payment was credited, and a fee may be charged. We reserve the right not to credit the amount of a payment we receive from you (or for your Lombard Visa Card Account) until we receive the full value of that payment (for example when a cheque is cleared).

Subject to clause 6.8, we may apply payments to any amounts debited to your Lombard Visa Card Account in any order we think fit.

- 6.8 For any Lombard Visa Card issued on or after 1 July 2012 and subject to any request made by you to apply a payment to a particular amount (and which we agree to do):
- (a) If more than one annual percentage rate applies to different parts of the Unpaid Balance of your Lombard Visa Card Account, we will first apply payments to that part of the Unpaid Balance to which the highest annual interest rate applies, next to that part of the Unpaid Balance to which the next highest rate applies and so on; and
 - (b) If the same annual percentage rate applies to all parts of the Unpaid Balance of your Lombard Visa Card Account, we will apply the payments to the oldest transaction first and so on.

7. Fees and Charges

You must pay us the fees and charges that are or may become payable under the Lombard Visa Card Contract and must do so when required by the Schedule or otherwise by the Lombard Visa Card Contract or us. We may debit the fees and charges to your Lombard Visa Card Account when they are payable and they will appear on the Lombard Visa Card Account statement.

If we incur or are liable for any government tax or other charge imposed by law in respect of the Lombard Visa Card Contract or the operation of the Lombard Visa Card Account, you must pay us an amount equal to the amount of the tax or charge we incur or are liable for.

8. Account statements

We will send you a monthly account statement for the Lombard Visa Card Account. Each account statement will inform you of your repayment obligations in respect of the statement period covered by the account statement.

You may request an additional copy of your account statement at any time.

We may charge a statement request fee if you ask for one or more duplicates of an account statement.

9. Changes to your Lombard Visa Card Contract and notification

- 9.1 Subject to clause 4.4 and clause 44, we may change your Lombard Visa Card Contract at any time without your consent, including (but not limited to):
- (a) changing the Standard Annual Percentage Rate and/or Special Promotion Rate;
 - (b) changing the amount, frequency, time for payment or method of calculating any minimum payments;
 - (c) changing the amount, frequency, time for payment of any fee or charge;

- (e) reducing (but not increasing) the credit limit;
- (f) changing the method of calculating or debiting interest; and
- (g) changing any Interest Free Period or Deferred Payment Interest Free Period.

We may do so for one or more of the following reasons:

- (a) to comply with any change or anticipated change in any relevant law, code of practice, guidance or general industry practice;
 - (b) to reflect any decision of a court, ombudsman or regulator;
 - (c) to reflect a change in our systems or procedures, including for security reasons;
 - (d) as a result of changed circumstances (including by adding benefits or new features);
 - (e) to respond proportionately to changes in the cost of providing credit (including by changing interest rates); or
 - (f) to make them clearer.
- 9.2 We will give you notice of any change to your Lombard Visa Card Contract in accordance with the National Credit Code or any other code or law which may apply.
- For example, we will give you:
- (a) notice of an increase in the Standard Annual Percentage Rate or Special Promotion Rate by writing to you or by newspaper advertisement no later than the day on which the increase is to take effect; or
 - (b) notice by writing to you at least 20 days before we:
 - change the amount, frequency, the time for payment or method of calculation of any minimum payments (which does not reduce your obligations or extend the time for payment); or
 - make any other change to the Lombard Visa Card Contract which increases your obligations or reduces the time for any payment; or
 - (c) at least 20 days notice in writing to you to or by newspaper advertisement if we make any change in credit fees and charges which does not reduce your obligations or extend the time for payment; or
 - (d) written notice of a reduction in the credit limit as soon as practicable after we decide to reduce the credit limit (except where you are in default under the Lombard Visa Card Contract or where you have previously been given notice to that effect).
- 9.3 If we give you notice of a change to your Lombard Visa Card Contract by newspaper advertisement, or if we make any change to credit fees and charges or minimum payments which reduces your obligations or extends the

time for payment, we will provide you with particulars of any such change when your next Lombard Visa Card Account statement is sent after the changes takes effect.

- 9.4 Changes to Part B of the Lombard Visa Card Contract are governed by clause 44.

10. We may adjust your Lombard Visa Card Account balances

We may, subject to the National Credit Code, adjust the balance in your Lombard Visa Card Account to take account of any processing error or because of the dishonouring of a repayment. We may also, subject to the National Credit Code, adjust the balance of your Lombard Visa Card Account so as to accurately reflect the legal obligations between you and us. We can do that whether the adjustment favours you or us. We can apply any payment in any way we consider appropriate.

11. Commission

If we pay or receive commissions in respect of the Lombard Visa Card Account, details of the commission as known are disclosed in the Schedule.

12. Things you must not do - default

You must not:

- (a) fail to pay us on time any money you have to pay us under this Lombard Visa Card Contract; or
- (b) pay any repayments with a cheque, direct debit or other instrument that is subsequently dishonoured by a bank; or
- (c) fail to comply with any condition of the Lombard Visa Card Contract; or
- (d) make any material false or misleading representation to us.

The occurrence of any of (a) – (d) above constitutes a default under the Lombard Visa Card Contract.

13. Action on default

Where the default is capable of being remedied, we will give you a written notice requiring you to correct any default under this Lombard Visa Card Contract.

If you don't do the things specified in the written notice within 30 days all monies you owe to us under the Lombard Visa Card Contract, including any enforcement expense will become immediately due and payable to us. You will be deemed to have failed to remedy the default specified in the notice if, at the end of the time allowed by the notice, you have remedied that default but have committed another of the same type.

We need not give you notice if we are unable to locate you after making reasonable attempts to do so, if we are authorised by a court to begin enforcement proceedings, or if we reasonably believe you fraudulently induced us to

enter into this Lombard Visa Card Contract. In that event all monies you owe us will become immediately due and payable on demand.

The monies you owe to us will include the Unpaid Balance (including any amount to which a Deferred Payment Interest Free Period applies) and, any accrued interest, any fees and charges or other amount due and owing but not debited to the Lombard Visa Card Account and any enforcement expenses. In addition, we may cancel your Lombard Visa Card and exercise our other rights under this Lombard Visa Card Contract and any right available to us under law.

14. Enforcement expenses

Enforcement expenses may become payable under this Lombard Visa Card Contract in the event of your default. We may debit these expenses to your Lombard Visa Card Account. We will give you notice before we do so. They will become immediately due for payment once debited. Enforcement expenses may include reasonable solicitors' legal costs and the reasonable expenses of our staff and our facilities reasonably incurred in relation to any enforcement. Interest charges will apply to debited enforcement expenses until they are paid in full.

To the extent that the following are not enforcement expenses regulated by the National Credit Code, we may also charge you the following fees:

If, as a result of you defaulting under this Lombard Visa Card Contract, we engage a solicitor or mercantile agent (or similar) to engage in collection activities or to otherwise act for us and we incur a cost in respect of such activities in circumstances where the cost does not comprise an enforcement expense, then we will debit your Lombard Visa Card Account as follows:

Information Statement

Things you should know about your proposed credit contract

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, your credit provider's external dispute resolution scheme, or get legal advice.

THE CONTRACT

1. How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before-

- your contract is entered into; or
- you make an offer to enter into the contract; whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy-

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as-

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example-

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for-
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Your credit provider's external dispute resolution provider is the Credit and Investments Ombudsman Limited and can be contacted on 1800 138 422, at www.cio.org.au or by writing to Credit and Investments Ombudsman Limited, PO Box A252, Sydney South NSW 1235.

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid. You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at www.asic.gov.au.

INSURANCE

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered

by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

GENERAL

15. What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways-

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

16. What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set out below in question 18.

Prior to entering a credit contract (or increasing the credit limit), we are required by law to:

If you request a copy of the assessment before we enter into the credit contract or increase the credit limit, we will not enter into the contract or increase your credit limit until we have given you a copy of the assessment.

You may also request a copy of the assessment within 7 years of the date we enter into the contract or increase your credit limit. If you do, we will give you a written copy of that assessment without charge:

- within 15 business days, if the copy is requested within 2 years of the day on which the credit contract is made (or the credit limit is increased); or
